EVENING

Ram Raja Mandir & aarti

Experience the temple where Lord Ram is worshipped as a king, with an evening visit and aarti.

1–2 hours · Confirm today's aarti

Ceremony times, queues and access vary. Ask the hotel before leaving.

Day 2 · Palaces, heritage & the Betwa

Begin with breakfast at the hotel before leaving for your activities.

After Chhatris sunset, enjoy dinner at Betwa View Dining at our sister property, Orchha Resort, by the river. Ask about a river-facing table and your return transfer; dining is arranged separately.

Pause for lunch and rest after the fort. Choose a short sanctuary visit with transfers, subject to access and weather, and return in time for sunset.

We can pack lunch for your outing. Arrange it with the hotel the evening before and confirm your menu and any charges.

MORNING

Orchha Fort with a heritage guide

Explore Jahangir Mahal, Raja Mahal and the palace courtyards, brought to life by a local guide.

2–3 hours · Arrange a guide ahead

Arrange your guide before you travel. The fort involves steps and walking; take lunch and a rest before another outing.

AFTERNOON

Orchha Wildlife Sanctuary outing

Discover the river landscape and wildlife around the Betwa and Jamni on a shorter nature visit. This is not a tiger safari.

Short visit; confirm duration · Confirm visit format and permits

After a morning at the fort, choose this only when a short visit with suitable transfers can be arranged. Confirm entry, the amount of walking, weather and return time before sunset. A longer trail is better on a separate day. We can pack lunch; arrange it the evening before.

EVENING

Royal Chhatris & Betwa sunset

Slow down beside the royal cenotaphs as the light changes over the Betwa, then enjoy a riverside dinner at Betwa View Dining at Orchha Resort, by the river.

1–2 hours · Confirm monument access

Keep the walk as short as you like and allow time to sit by the river. Continue to Betwa View Dining at our sister property, Orchha Resort, by the river, for a relaxed evening meal. Ask about a river-facing table, current service and transport back to Orchha Palace. Dining is a separate arrangement; monument access and river conditions can change.
